S01 · Reply to a 1-star review without sounding defensive

VIDEO PROMPT

Vertical 3D animated cartoon short in a warm, polished Pixar-style look: soft lighting, expressive rounded characters, clean colors. Three shots, same characters throughout, clear lip-synced English dialogue, light comedic tone.

Shot 1 (0-5s): A tired HVAC business owner in a work polo at a small office desk reads his phone and winces. He says to camera, frustrated: "A one-star review... and I want to fire back so bad."

Shot 2 (5-10s): His office manager rolls her chair over holding a tablet with a short reply on screen. She says calmly: "Paste it into this prompt. Calm, honest, and it invites them to call."

Shot 3 (10-15s): Same office, he taps send and leans back relieved. He says: "Okay. That actually sounds professional."

No on-screen text, no logos, no subtitles.

OUTPUT SHOWN (ADDED IN EDIT)

Example AI output (made-up details): "Hi Karen, you're right that our tech arrived two hours late, and we should have called to tell you. That's on us, and I'm sorry. He was held up at an emergency job, but you deserved a heads-up. I'd like to make this right. Please call me, Lisa, at our office so we can sort it out."

TITLE

VIDEO PROMPT

Vertical 3D animated cartoon short in a warm, polished Pixar-style look: soft lighting, expressive rounded characters, clean colors. Three shots, same characters throughout, clear lip-synced English dialogue, light comedic tone.

Shot 1 (0-5s): A plumber under a sink, phone buzzing on the floor next to him with a missed call. He looks at it and says to camera, stressed: "Missed another call. They're already calling someone else."

Shot 2 (5-10s): His partner crouches down holding a phone with a short text on screen. She says warmly: "This prompt writes the text-back. It goes out the second you miss a call."

Shot 3 (10-15s): Later, he's wiping his hands and reading a reply on his phone, smiling. He says: "They texted back. Booked for Thursday."

No on-screen text, no logos, no subtitles.

OUTPUT SHOWN (ADDED IN EDIT)

Example AI output (made-up details): "Hi, this is Coastal Plumbing. Sorry we missed you! We're on a job and will call you back within 30 minutes. What can we help with today?"

TITLE

VIDEO PROMPT

Vertical 3D animated cartoon short in a warm, polished Pixar-style look: soft lighting, expressive rounded characters, clean colors. Three shots, same characters throughout, clear lip-synced English dialogue, light comedic tone.

Shot 1 (0-5s): A landscaper sitting in his truck, scrolling a list of sent quotes on his phone. He says to camera, unsure: "Sent the quote a week ago. Do I follow up or is that pushy?"

Shot 2 (5-10s): His crew member leans in the passenger window holding a phone. He says, helpful: "There's a prompt for that. Three follow-ups. No pressure, no fake deadlines."

Shot 3 (10-15s): Same truck, he sends a message and nods, confident. He says: "Friendly check-in sent. Done."

No on-screen text, no logos, no subtitles.

OUTPUT SHOWN (ADDED IN EDIT)

Example AI output (made-up details): Day 2 text: "Hi Mark, it's Sam from Green Edge. Just making sure the quote came through. Happy to answer any questions!" · Day 10 text: "Hi Mark, last check on the patio quote. No worries if the timing's not right; it's valid until the 30th."

S21 · Who has practice tonight? Check the fridge

VIDEO PROMPT

Vertical 3D animated cartoon short in a warm, polished Pixar-style look: soft lighting, expressive rounded characters, clean colors. Three shots, same characters throughout, clear lip-synced English dialogue, light comedic tone.

Shot 1 (0-5s): A dad at the front door with car keys, two kids in sports uniforms behind him. He says to camera, confused: "Wait, is soccer tonight or Thursday?"

Shot 2 (5-10s): His daughter points at a printed weekly schedule on the fridge. She says, matter-of-fact: "Tonight. Six o'clock. It's on the fridge, Dad."

Shot 3 (10-15s): In the car, everyone buckled in, he gives a thumbs up. He says: "On time. For once."

No on-screen text, no logos, no subtitles.

OUTPUT SHOWN (ADDED IN EDIT)
