

Small Business Monthly Budget Kit

Plan the month, track every dollar in and out, set money aside for taxes, and see your real profit on one page. Built for solo owners and small teams.

INSIDE

- How to use it
- Monthly budget
- Cash flow tracker
- Expense log
- Income & invoice log
- Tax & savings set-aside
- Monthly profit summary
- Year overview

Print as many copies as you need for your own use. Tip: print the weekly and daily pages double-sided and keep them in a binder or clipboard.

How to use it

At the start of each month

- 1. Fill in the Monthly Budget: expected income, fixed costs and planned spending.
- 2. Decide your tax set-aside percentage with your accountant and write it on the Tax & Savings page.

Every week

- 1. Record money in and money out on the Cash Flow Tracker.
- 2. Log expenses with receipts on the Expense Log and invoices on the Income & Invoice Log.

At month end

Total everything on the Profit Summary, then copy the totals to the Year Overview to see trends.

This kit is for organizing your numbers. It is not tax, legal or accounting advice.
